

Join the Texas Speleological Association:

The Texas Speleological Association is a not-for-profit organization dedicated to supporting cave exploration and cave studies by cavers in and around the state of Texas.

Your membership in the TSA means that you are member of a regional internal organization of the NSS. The TSA is dedicated to bringing cavers together to promote safe caving, conservation and exploration of the underground wilderness in Texas. The TSA conducts quarterly business meetings (open to all members and prospective members) and an annual Spring Convention. The benefits of membership in the Texas Speleological Association include a subscription to the TEXAS CAVER magazine (published quarterly) and inclusion in the annual TSA Members' Members manual. The TSA also publishes a monthly Activities Newsletter available for download from the TSA Website. The TSA website provides a resource for information important to cavers. Besides useful links, the website contains standard liability releases, announcements and other important information.
